SENATOR CUDABACK: LB 69A advances to E & R Initial. Mr. Clerk, next agenda item.

CLERK: Mr. President, Senator Beutler would move to withdraw LB 105.

SENATOR CUDABACK: Senator Beutler, to open on your motion to withdraw.

SENATOR BEUTLER: Senator Cudaback, members of the Legislature, this is a retirement issue bill that was introduced on behalf of the faculty senate at UPL who thought they had the concurrence and agreement of the administration. They did not, and they don't wish to proceed without the entire university family being in agreement, so there's no use our wasting our time on it, and I would ask the permission of the body to withdraw the bill. Thank you.

SENATOR CUDABACK: Open for discussion on that motion. There are no lights on, Senator Beutler. Did you wish to close? He waives the opportunity to close. This does require a simple majority. The question before the body is the withdrawal of LB 105. All in favor of that motion vote aye, opposed nay. Record please, Mr. Clerk.

CLERK: 32 ayes, 0 nays, Mr. President, on the motion to withdraw the bill.
